NO SHOW POLICY – TARDINESS POLICY

We know your time is valuable and we do our best to stay on time. We understand things come up and patients need to cancel appointments. Please give us 24 hours notice.

Throughout COVID (3/2020 – 7/2022) our office has not charged no-show fees. Not showing for your scheduled appointment without a simple call, message or email 24 hours in advance demonstrates to us a lack of respect to our employees and other patients who could have used that appointment date and time in your absence.

Due to high demand and limited availability patients choosing to no show without notification 24 hours in advance will be assessed a NO SHOW FEE of \$70.00. Patients arriving 15minutes after appointment time may need to be rescheduled.

By acknowledging you were given the opportunity to review our no show policy and by signing our financial agreement, **ALL** patients consent to this no show fee. We will employ the services of a third party collection agency to collect unpaid balances.

***Thank you for respecting our time and the time of your neighbors.
