Erendira,

Dr Meers has been a credentialed provider with NBN Vision Plan for several years. We are writing to let you know we would like to Terminate our contract (**effective 60 calander days from the date affixed at the top of this letter**). We would still plan to see your patients “out of network” where they may submit their invoices for services and products provided by our office directly to you on their own behalf

In the future, if warranted, we’d love to apply to be a provider for NBN again. But at this time we want to formally notify you that we will not be participating in the plan. Please remove us from your directory of NBN vision plan providers. If you have questions please contact us at the number below.

Kindest regards and we hope to work with you again in the near future,
